RE: County Public Records Request of February 28, 2022, Reference # C000283-031522

Dear [REDACTED]

The Siskiyou County Clerk-Registrar of Voters received a public records request from you on February 28, 2022. Your request mentioned:

For the 2020 Presidential General Election: I request a text, comma or tab delimited file, or a text-based report, listing, in the sequence processed by the county, every ballot, its sequential ID, its timestamp, its method of voting (early in person, absentee, mail-in, in person - whichever apply to the county), the specific votes contained for all races, and the batch id and tabulator id. If any fields are not available, please include the fields that are available. To be clear, I am not requesting a summary report of votes. I am requesting a per-ballot report. This set of information is sometimes known as a "cast vote record", "ballot log", or a "summary of ballots". If the data exists as multiple files or reports--for instance, by batch or by precinct--you do not need to aggregate them. Instead, send the individual files.

The Department has identified responsive records. Accordingly, the Department will provide a response to your request in 30-60 days.

For questions or additional information, please reply to this email.

Sincerely,

Wendy Winningham
County Clerk Office - Registrar of Voters
